

Dear Leader,

Jungle Jinks Brownie Camp

One of the things girls remember most about their time in Guiding are the trips and residential opportunities. An excellent opportunity - Jungle Jinks- a county Brownie camp - is open to all Brownies in Leicestershire and Rutland to camp, explore new activities and make new friends.

Key details

The camp is being held from Saturday 6 to Tuesday 9 August 2022 at Topstones Campsite, near Tilton on the Hill. Brownies will be camping in tents along with their leaders in sub-camps. Each sub-camp will be staffed by experienced leaders who will be on hand to help and support. There will be a range of jungle-themed activities throughout the camp, from the adventurous inflatables and cave bus, to the more traditional campfire and outdoor skills along with crafts and opportunities to be musical. All staff, leaders and girls will be catered for from a central facility.

Camping

If you are an experienced camper and have taken part in county events before we are sure you are aware of how much fun they can be for girls and leaders alike! Never taken you unit away before? Well, don't let that put you off. For this event, you do not need to hold a residential licence of any description. There will be plenty of support available prior to and during the camp. Units will need to supply their own tents for the Brownies to sleep in.

Young Leaders

Young Leaders and Rangers under 18 are also being asked to support the camp and will be camping in their own sub-camp where they can camp without leaders. The sub-camp will be staffed by a team of leaders who can offer support when needed. They will form a service team and help with the running of the camp, as well as enjoying their own activity programme. A fee of £40 will cover their camping, food, t-shirt, necker and badge.

Leaders' children

If you are intending to bring additional children, then please indicate this on the booking form. They will be charged at £25 per child which will include their food, a necker, badge and t-shirt. Please remember that the children of leaders will have an impact on ratios. Please check with your residential adviser or commissioner if you are unsure.
