

International Opportunities Application Form 2022

For Guides, Rangers and young leaders

Hello everyone.

Usually, Girlguiding Leicestershire have an international opportunities weekend at Topstones to tell you about the opportunities for international travel with Girlguiding Midlands or ourselves in the following year.

It hasn't been possible to travel with Guiding for the last two years but the world is opening up again for us and we would like to invite you to spend a day with us at Topstones to learn a little more about what adventures we are planning for 2023.

International trips can vary in size from being in a small group of 10+ to attending large camps with over 20,000 Girlguiding members. Events previously have included camps/ Jamborees, indoor events, home hospitality, staying within a youth hostel or travelling between cities.

Some trips involve specific skills, e.g. sailing, music, art or community work, but all who go on an international adventure speak of the memories and friendships made for many years after their trip.

To be considered for an international adventure in 2023, you must:

- Be 14 years old or over by 1 July 2023
- Be an active member of a Guide unit, Ranger unit or be an active young leader in Leicestershire.
- Be able to come to our selection day on the 23 April 2022
- Send in the attached application form by 16 April 2022 either by post or preferably by email.
- Be able to bring a completed reference form signed by your leader.
- Places this year will be extremely limited, so applications are on a first come first served basis.
