**TASKMASTER**

AT HOME

# BEFORE WE START

- You will need: pen, pencil and paper, cuddly toy

## RULES

- Time starts when the taskmaster says 'GO'
- Taskmaster's decision is final

# TASK 1

- With your eyes shut, draw a self portrait on your paper
- You have 2 minutes
- Your time will also end if you open your eyes before the 2 minutes are up
- Best likeness wins 10 points

# TASK 2

- List as many different items of clothing as possible in alphabetical order
- You have 2 minutes
- Points will be given for every item – we will check for alphabetical order!

# TASK 3

- Rip out a circle from a piece of paper
- You may not use any scissors, pens or pencils
- You have 2 minutes
- 5 points will be given if it looks like a circle
- 10 points will be given to the best looking circle

# TASK 4

- Make one hundred dots on a piece of paper
- Fastest wins 10 points

# TASK 5

- Join the dots you just made
- Best picture wins 10 points
- You have 3 minutes

# TASK 6

- Balance the biggest thing you can on your head
- It must be balanced unaided for at least 10 seconds
- 5 points for anyone who can balance their object for 10 seconds#
- 10 points for the person with the biggest item

# TASK 7

- Write the rest of this poem:
- There once was a lady called .....
- You have 3 minutes
- Best poem wins 10 points

# TASK 8

- Without lifting your pen from your paper, draw an animal
- You have 2 minutes
- 5 points if your animal can be correctly identified by the taskmaster

# TASK 9

- Tear the best picture you can out of your piece of paper
- Best picture wins 10 points
- You have 3 minutes

# TASK 10

- Show your taskmaster the word 'Smile'
- The word 'Smile' may not be written or typed down (and does not include this page)
- Fastest wins 10 points

# TASK 11

- Turn a cuddly toy into a superhero
- Best superhero wins 10 points
- You have 5 minutes

# TASK 12

- Find a red item, a blue item and a white item
- Pens and pencils do not count
- First person back wins 10 points

# TASK 1

- You will need: pen, pencil and paper
