

OLIVIA'S JIGSAW COMPETITION

To celebrate 'one year on' from the launch of the new Jigsaw programme, we would like to announce the Rainbow competition, and find the most original and unusual photograph of Olivia enjoying a unit event. It could be at the weekly meeting or an event, be Look, Learn, Laugh or Love or generally the whole unit having a good time in Guiding.

The best photograph will win a night of fun and frolics organised by the County team for the unit.

Photographs may be used on the website and in Guiding publicity unless clearly stated otherwise.

Closing date 28th April 2006
